“ *Aunt Marion was always welcoming with a warm hug and a sweet smile. Margaret Ann loved her to pieces & loved most of all telling her stories of what she was learning in school and what she was doing in sports. Most of all we will miss the gatherings at the homestead to celebrate her birthdays:) She will be truly missed by all! Todd, Steph and Margaret Ann Reed.*

Mrs Hanson was a wonderful coworker in the Hartford Public Schools where she expressed deep concern for the students in her teaching and treatments. She was also my neighbor and stopped in, including me in the St Monica's gala and other events. A warm and engaging person, she is sorely missed.

“ Our family on Pleasant Street will never forget Mrs Hanson, such a kind and determined person. Her daily walks down our street in all kinds of weather were a testament to her strength. Condolences to Philip and the whole family. Peter, Christine and Devlin McMorris.

“ So very sorry for your loss. Mrs Hanson was my 1st instructor @ St Francis School of Nursing...there were 7 of us in her group and she referred to us as her little ducklings...as 18 year old newbies, we were more than happy to stay under her protective wing. I have seen her about town since and so happy each time to see her....fond memories !
