“ Marion loved to travel especially to Maine. We went tent camping at a Bluegrass Festival in Sydney, ME when she was in her 80's. She loved to go to Bailey Island in Oct at a cute little motel that served fresh made muffins for breakfast. We also went to New Orleans for the Jazz Festival. She was always a good travel companion and friend. We met while working at the State Lab. Sorry I didn't make it back from the South in time to see her for one last time. I will miss her very much. God Bless her, Sharon Malloy
