“ *I fondly remember Mary as a beautiful person both inside and out. She came into my father Leo's life after my Mom died and the two of them enjoyed years of friendship and adventures together. I have some great pictures of them together at family gatherings. She was a real 'family' person and she loved hers dearly as was evident by her words and actions.*

When Dad got sick, Mary was right there by his side to the end and a great help to us.

My brothers and sister and I all send our condolences to her family at this sad time. May she rest in Peace and I will remember her always.

“ *Celebrating a life well lived.*

We will always appreciate the caring relationship Mary had with my mother, Kathleen Kelly, who passed away in 1998. They shared so many of the same interests- gardening, reading, scrabble, bridge, Aetna memories and grandchildren stories.

Mary was a lovely woman whose friendship my mother treasured until the end of her life.

Wishing her family peace.

*Affectionately,
Bob and Pat Perrone##imported-begin##patricia perrone##imported-end##*
