“ Dear Tim and Family,

Mary was a woman of integrity, warmth and beauty, inside and out, in short, a lady in the truest sense of the word. Her friendship meant a lot to "Buzz" and Jack Teahan. Hers was a quiet strength, and I hope you are blessed with many happy memories during this time of sorrow.

With much love,

“ Dr. Curran, Tim, John and Liz ?

When and if I finally get round to writing my book: ?Everything I learned of Life, I learned as a caddy?, there will be a place in it for the Currans, and for Mary. Mrs. C. was one of my earliest ?loops? -- a delight to caddy for, and her bag was light, which was important to a 10 year old. She was a special lady; she did not take her golf or herself too seriously; she showed genuine interest in those around her. She had a great sense of humor, a keen intellect and was always a pleasure to chat with. And just like the good Doctor, she always had a smile on her face. Mrs. C. will surely be missed, but her spirit carries on. My deepest sympathies and best wishes for continued health and happiness to all the Currans.

Best regards,

David Bryson.##imported-begin##David Bryson##imported-end##

“ Doc, Tim, John, Liz
I'm certain all the Brennan's send their most heartfelt condolences to you on the passing of one of the most wonderful, loving and caring human beings we ever were lucky enough to be around growing up. Her friendship with Kevin and Lorraine was an example to all of us on what "extended family" really meant. Despite seperation by several houses, the Currans and the Brennans were just like next door neighbors. The cookouts, vacations, the care each set of parents had for the others children. What a relationship! Our hearts and prayers go out to all of you, particularly the Doc, and may Mary truly now rest in peace.###imported-begin###Dennis Brennan###imported-end##
