“ Dear Mary Ellen and Debbie, I was so saddened to read about your Mom's passing away. Last week was a very busy one for me and, by the time I read Wednesday nights paper, it was already Friday-- I'm sorry to have missed the services on Thursday. She was such a special person and was a second mother to me-- I miss all of you and our wonderful times on Oxford Street especially enjoying Charles Chipsand watching TV. I hope that you are all doing well and that we can reconnect in the near future. Please know that we are thinking of you at this sad time. With love and friendship.
