“ My Deepest Sympathy to Maryanne's family and friends and may you find comfort with knowing how much happiness she brought to others. I met her 5 1/2 years ago when my husband Bill and I moved in next to her. We will both miss our conversations with Maryanne about our cats naturally, especially our cat Oscar. She loved him and would come to say Hi to my other kitties as well. Loved birds as well, and would save bread for me to throw out to them. She loved her garden and would always come over to check my flowers and share stories. Watched the cats she cherished so. Maryanne, you were a wonderful neighbor and friend, we miss you and miss Elsie watching from the slider door. I would shovel your deck, back sidewalk during the storms and you would say I didn't have to do that. I wanted to you see, my concern for your safety to get out with no worries. Rest in Peace Maryanne knowing your beautiful cats will be cared for. No goodbyes, we will meet again and share stories.

“ My dear friend, as I sit and think about what to write, happy and sad memories bring tears flowing down my face. Your amazing capacity to care and enjoy life along with your infectious laugh will never leave my memories of you. Playing cards, beaches, discussing our families and you helping me to plan my wedding are just a few of the times that we have spent together. Love and light to all of her friends and family, may you find comfort in your memories. You touched so many -

“ My sincere condolences to MaryAnne's family and friends. She was a delightful lady! Eighteen years ago, she bought my little place at 59 Locust Circle and it thrilled me that she found happiness there. We have exchanged Christmas cards ever since the sale. I will truly miss hearing from her. May she rest in peace. Deborah Creel
