“ My condolences to Matt’s family and friends. He was a high school classmate of mine and we both landed in Boston, so we got together from time to time over the last several years. I will miss his wit and sarcastic humor, love of all things sports and most especially his kind heart. It was almost exactly a year ago that I had a particularly bad day and Matt sent flowers to my work, with a note saying he hoped they made me smile. Looking at that note now and smiling with a heavy heart. Praying he’s at peace and sending prayers to his loved ones that you may find some comfort in that.
