“ Dear Mary, Elizabeth, Maxime and Judy. I'm saddened by your loss. He was a wonderful man and he had a very positive impact on my life. I always knew that he was more than just my boss, he was my friend. I consider myself fortunate to have known him. I can see him cheerfully greeting his customers and solving their problems as though it were yesterday. He will be missed, but not forgotten.##imported-begin##Chuck Coffey##imported-end##

“ Dear Mary and family;
Our memories of Max are happy ones, turning to Black Point immediately and the happy days we had there. Max was always busy doing the things he loved around the yard and stopping to chat with his many friends as they passed by. "Those were the days!" May these warm thoughts bring comfort at this time. With deepest sympathy to all.##imported-begin##Adeline Pope##imported-end##

“ Dear Andrade family;
My condolences to you all in your time of sorrow. I will always remember Mr. Andrade with fond thoughts as being the father of my best friend at the beach growing up. He had the patience of a saint with us girls. He was always there for you, like a second father.##imported-begin##Laurie Pope##imported-end##
