“ Michael and I went to college together and were best friends throughout the seventies and early eighties when he lived in Philadelphia and NYC. There was nobody on the planet who could make me laugh as hard and as much as Michael. Although we lost daily touch after he left New York, a day didn't go by that some little thing would remind me of our good times and make me smile. I just found out about his death and I am devastated. I always thought we'd laugh together again. "To Ed, Sarah batter done won!"###imported-begin##G. Douglas Wagner###imported-end##

“ I would see Michael at the pool every summer--We were some of the regulars. He was always nice. We spoke just a few days before his passing. I am so sorry for his loss and will miss him. My heart goes out to his loved ones.###imported-begin##Sharon Klaber###imported-end##

“ *Michael was the nicest person in our building - and probably one of the nicest in the City. No matter what kind of a day he had, he always smiled and had something pleasant to say. I think about him every day. I am president of our condo association and also had the privilege of working out with Michael a few times. Please let me 773871-2579 or our building manager, Silvio Brizo, 773975-5991 know about a memorial service.##imported-begin##Joan Grossman##imported-end##*
