“ It is hard to put down in writing how much Myla means to me and my family. We have been friends and neighbors for over 10 years. My daughter Monique and her daughter, Myla seem to have grown up together, and our homes have been open houses to them both. We watched Katie blossom and go off to college and then off to another state. Myla has been warm, nurturing, compassionate, able to listen to problems even when she was going through problems of her own. It's going to be hard on everyone to go on without her- our love and thoughts and prayers are with her family.##imported-begin##Pat and Monique Asselin##imported-end##

You have always been an important person to me, professionally and personally and I hope you and your family persevere through this trying time.##imported-begin##John and Lindsay Amenta##imported-end##
