“ Perhaps this will show that Nancy continues, as always, to be in my thoughts. I never have forgotten my dearest friend and I never will. I wish I had the chance to tell her so, but this is one more chance for me to show again that she was my special lifelong friend and I miss her.##imported-begin##John Somerville##imported-end##

“ I have always considered Nancy as a wonderful friend with a laugh that made you glad to be with her. Nancy gave me the great honor of being her Chief Usher in 1969 at her Debut. It made me feel like a brother to the ultimate "girl next door"! I will miss her! Karen and I had Nancy over as our first visitor to our first home. Though we saw her only occasionally in recent years, Nancy was always our good friend. Our thoughts are with her family. John##imported-begin##John Somerville##imported-end##
