“ *I met Oralie over 10 years ago when we started knitting at the Prosser library. Her workmanship was excellent & we all admired her for what she did.  
We would go out for coffee over the years as well as talk on the phone .  
She had the kindest heart & loved her family so very much.  
Needless to say, I will miss her and will hold the memory of the strength she had in my heart. Love you my friend....Jo Hansling*
