“ Pam-
You will be so missed. We had so many wonderful times together. You were so fantastic to my mother over the years, she thought of you as another daughter. As my mother aged, you were always there for her. Whether it was visits with her at the nursing home, bringing her books or sending her flowers. Never mind showing up with , what became her all time favorite ,slippers from LL Bean. Thank you for loving my mother so much.
You left us way too soon. I know you are hanging with Grannie Brennan, Jean, Helen and Terry. I love you and will miss you forever.

“ Around 2002 my department at Northeast Utilities was eliminated. While I was applying to jobs, Pam set it up for me to start working as a sub teacher in the city where Pam worked. I spent the full year there. She was incredibly kind and caring. No matter what Pam was going through, she always had time for family. I am her cousin, and I will always miss her.
