“ *Dear Martha, Brigid, Kathy, Peggy, Patty and families:*

*Please accept my heartfelt sympathy at the loss of your mother. It
was a pleasure and privilege to care for her and to be allowed into
your lives at such a difficult time. I only wish I had been able to
know her when she was at her best. As I mentioned to you one day
at the hospital, I'll bet she had a great sense of humor and was fun
to be around. I'm sorry I will not be able to attend the services this
evening, I have to work. But you can be sure that my thoughts and
prayers will be with you today and through the coming days.*

Sincerely,

“ I would like to express my condolences for your loss. During these trying times, may it be of some comfort to you to know that Pat touched many lives during her career at The Hartford, and made many friends. I am honored to consider myself one of them. While its been many years since we worked together, when our paths would cross Pat always took the time to say hello. She will remain in my thoughts and she will be missed.###imported-begin##Jim Pelletier###imported-end##

“ To Brigid and the Wilkinson Family,
I am deeply saddened to hear of the loss of your wonderful mother.
I have fond memories of her and remember her as quick to smile
and warm to talk with. I am sure she is proud of 'her girls' and I
know she will be with you always. I regret that due to my travel
schedule I will be unable to make my condolences in person. Brigid,
you, your family, and your Mom are in my thoughts and prayers.
