Tribute Wall

“ Pat and I were students together at St. Francis. Hard to believe it was so long ago. As a student she was so sharp. If you didn't understand something she was the one to ask. Those days were long and often difficult but I remember that somehow Pat made much of it seem like fun. She was such a caring person. I know that she has been welcomed at God's door for all the good she had done.##imported-begin##Barbara Murphy Wright##imported-end##

“ Dear Mary Lou & Faye,
It was with sadness and fond memories that I read of Pat's passing. What happy times I shared with you all.
Pat was a kind and caring gal and will be missed by all who knew her.
I will be away this weekend, so will not be able to attend her services. My prayers and sympathy are with you all.
