“ Dear Jim, Chuck, Patti and Erin -
Leslie just told me about your mom passing. I hope you are all doing all right.
I can tell you that your mom's death has had an effect on so many people in so many ways. She and your dad had such a special talent of making the people in their life feel genuinely touched by them. When I think of your parents, but your mom in particular, I remember such a huge presence and influence. I loved her and I will miss her as long as I live.
Take care of each other -
Love,
Laurel###imported-begin###Laurel Lavery###imported-end##

“ To Jim, Chuck, Patty and Erin:

It was with sadness that I heard of the passing of your mom. I ran into Reggie Pope while at the gym and he told me me of your mom's passing. Most of my memories were with both of your parents running the baseball leagues, working at the Travelers and of course the Windsor High School years of playing the various sports at the high school. Your mom was a very good person who always volunteered to try and help make things better and no matter how big or small the task, everyone who knew her will remember that she always made a difference.

Sincerely,

Tim Connolly###imported-begin###Tim Connolly###imported-end##

“ Jim, Chuck, Patty and Erin,
So sorry to hear about your Mom. Your parents were a second set of parents to me, and you were like family. Your mother was very supportive of what I did as a teacher and coach, and I will always remember her and your Dad as my friends.
I know how much they loved all four of you, and I hope you stay close to each other. Having each other in time of need is a most important thing.
This is not an easy time, I know, having gone through it twice myself. Just remember the many fond, loving memories of a wonderful mother, grandmother and for me a friend.
I will be out of town on Wednesday, and want to say I am sorry I will not be there, but you will all be in my thoughts and prayers.
Love,
Mr. Chasen for Mrs. Chasen and Matthew##imported-begin##Barry Chasen##imported-end##

“ I will always have fond memories of sharing a gorgeous day at the UCONN football game with Patricia. She had more energy than all of us combined! She enjoyed every moment and actually understood the game of football! I'm sorry I didn't have more time to get to know her. What I did know was that she had a big heart, a great smile and enjoyed life! Much love to the entire Burton family. Jim sends his love and condolences as well.
