“ Dear Carol and all of Pat's family, I am so sorry for your loss. Pat was a great friend to my mom Anne, and she patiently dragged mom along for those walking sessions. Mother's Circle gave them both wonderful friendships with so many great women in WH, too. I was lucky to have known Pat, she was a wonderful person.

*To Carol and brothers: I always admired your mother - she was a lady through and through. Beautiful inside and out. She has been missed by "our group" at our lunches and walks. We have known her and your dad for so many years - going back to the time when you, Carol, were in high school and we all went to the Hall High football games and partied after. My husband and I have just returned from vacation and so were unable to attend the memorial services for her and are so sorry about that. I stop at your father's gravesite whenever I visit the one of my grandson at Fairview Cemetery and I'll be sure to continue to visit her now as well.*
