“ I was blessed to know Patti about 50 years ago, in the mid-1970s when we were classmates at Alfred Plant Junior High in West Hartford, and then through our years at William Hall High. Patti was a precious soul, so kind and loving. I’m in San Francisco now, since 1979, but I remember her nice smile and eyes, and her being so very friendly. Her smile brightened the world around her.

*I’m confident that Patti was a blessing to those she interacted with. To Ira and to Patti’s siblings, family, and friends, I am so very sorry for your loss. We all have been blessed to have known her. She touched so many people.*

*Sincerely,  
Roy Tuason, San Francisco CA*

“ Oh Patti— i don’t remember how we met, I just remember in 7th grade suddenly you were EVERYTHING! My bestest friend— we were so lucky those years, the basic simple joys of the mall, swimming endlessly at Fern park pool, dreaming of what our lives would be and dreaming of boys!! I loved you very much back then and I’m so happy we got to know each other gain as adults and to live you so dearly again— my deepest condolences to your family, and to Ira— may you all heal from this most profound of losses—

“ Hi. I am so so sorry for your loss. My name is Kristy Wolff. My brother is Scott. I know how much time Patti spent with Ira and my mom and Scotty. They were like their own little family. She will be missed so much. My condolences, so tragic and unfair.
