“ *I am cynthia, Rita s daughter.I had sent a package and good wishes to Paul; today on the occasion of the birth of Rita s greatgrandson. St Marys just called to tell me he passed away. I had met him twice and my daughter had too, she had gone to visit him in June so he could feel the tummy and know! I am very sorry for yr loss, my mother loved him above all in her lifetime and we appreciated him a great deal. I talked to him in late spring to tell him my daughter was coming,.So i hope he had good memories of us, and he is lying beneath the stone marker i had made for him and Rita, so they could be together now too as his sister had asked. May you be comforted to know how much he was loved. And how sad he couldnt see the baby or even a pic. The baby was named Raphael today.*
