“ Paul taught me a great deal as I worked with him in Middletown A&T for several years. We often shared stories of our families as I took over from him 1st shift, to my 2nd shift crew when we were both Foreman. The glory days of JT9D Assembly '79-'86. He often spoke of Ruth and his designs for his place in N.H. Never knew Roger was his son-in-law...! since we know each other from his many field support trips to JAL. My best to the family despite the time that has passed, as I just found this on-line living in Georgia - now supporting Delta.##imported-begin##Don##imported-end##

“ Paul Moore was a kind and generous man, and a wonderful Uncle. I'll never forget the good times with Uncle Paul, Aunt Ruth, Bobby and Marilyn when we visited each other on vacations when we were young. We truly had the best families you could ask for. and Uncle Paul was the best of the best.##imported-begin##Ken and Janice Peterson##imported-end##
