

Paul Sciarra

August 25, 2025

The Sciarra family is sad to announce the passing of Paul Sciarra, 68, of Bloomfield and formerly of West Hartford, on August 25, 2025. He was the beloved husband of Elizabeth (Redden) Sciarra for 45 years. He is survived by his sons, Daniel and Andrew Sciarra, and his daughter, Kelly DePratti, and son-in-law Alex DePratti. He also leaves behind six cherished grandchildren, Alexander, Thomas, Analisa, Ella, Madelynn, and Molly DePratti. He is also survived by his two sisters, Marilyn Ridolfo and Debra Sciarra as well as many sister and brother-in-laws and nieces and nephews. He was predeceased by his parents Selma (Warner) and Gerald Sciarra.

At the beginning of his career, he was a property manager at Clemens Place in Hartford, CT. Afterwards, he followed his father in managing the properties on 56 Arbor Street. After his father's passing, Paul sold the properties and joined the real estate business. For the past twenty years, he had been a member and employee of Berkshire Hathaway. Paul loved talking about real estate and helping people find homes.

He served as President of the West Hartford Youth Boys Basketball League and the West Hartford Girls Soccer Team, which served hundreds of children in West Hartford. Paul was a mentor to many athletes in Town and cared

greatly for them.

Paul cherished his children and grandchildren more than anything in life. He loved attending their sporting events, their short conversations, and especially stopping by for a “quick kiss.”

A Funeral Mass of Christian Burial will be held on Saturday, August 30, at 10 am at St. Thomas the Apostle Church, 872 Farmington Avenue. The burial will be private.

Donations in Paul’s memory may be made to the American Kidney Fund www.kidneyfund.org

“ So sorry to hear of Paul’s passing, He and Gerry were important to me, I always think of them fondly. It doesn’t seem that long ago, that I moved the Hartford Business Journal to our second headquarters at 56 Arbor Street. Paul was always a true gentleman and a friendly face. Our time in that building could not have been happier, largely because of Paul. We stayed in touch after we left and the building was sold...but not nearly enough. Paul will be universally remembered as something that many of us aspire to but fewer achieve. A good, and a kind man. Wishing all his family peace.

“ Beth and family,
I learned of Paul's passing this afternoon. During the dozen years we spent as landlord and tenant, Paul was always ready to compare notes on our childrens' developing scholastic athletic careers. His welcoming nature made him the perfect building manager and (I'm certain) the perfect person to guide people through the process of buying or selling a home.
Lorraine and I extend our condolences to you at this difficult time.

“ Iris and I were so sorry to hear of Paul’s passing. I always felt we had a special bond as I watched him grow up across the street from the Eisenberg family. I especially enjoyed coaching the summer softball team where Paul was my outstanding catcher. Our sincerest condolences to Marilyn and Debbie and the entire Sciarra family. “ Dear Sciarra Family, our deepest condolences. I will miss Paul stopping as he was driving down our block when we would be walking our dogs; always ready with a quip, complement on Annie's gardens, or helpful comment; it always came from him as natural as breathing. A true friend, Annie and I will carry him in our hearts always.
With love and affection,
Jose and Annie and the Goico family

“ *There was no one like Paul, NO ONE! He was kind, funny, witty, good natured and an all around great guy. There was nothing that would come his way that he could not handle, handle in a way that only Paul could. I loved our couple of lunches each month and loved talking real estate shop and about our kids. He loved Beth incredibly and his kids but those grandkids, WOW he lit up talking about them. He was so proud to have one on one time with them so that he could really listen to them, what a great grandpa! We will miss you terribly Paul, the world has lost a very special man. Rest in peace my friend, RIP.*

“ Dear Beth and family,

I was so sad to hear about Paul's passing. He was in my KINDERGARTEN class (!) at King Philip and from then on he was always a funny, gentle and kind friend. My memories of him are silly ones -- in 4th grade our teacher (Mrs. Lacy) made him run around the room over and over and he just kept a smile on his face the whole time. He was such a presence!

Sending love ,

“ *Coach Sciarra was my soccer coach when I was a teen. He was the
perfect combination of caring and strict. He saw in me what other
coaches and adults didn't. I was shy but tough, and he encouraged
me to harness that energy on the soccer field, always pushing me to
do better. Thank you Paul for believing in me, you made a
difference in my life. Condolences to your family during this difficult
time. May his memory bring you peace.*

“ I've known Paul since we were West Hartford teens back in the 70"s. Even then I knew he was of a different and special ilk. Kindness and cheerfulness were a big part of his essence. I'm sad to hear that he's gone. I wish to share my deepest sympathy for Paul's entire family. May peace return to your lives soon.

“ Beth, we were so happy that Paul and Brady got to chat about their "war wounds" and for Paul to tell Brady all about how he started his careers. We will miss his smiling waves. We are here for you.
