“ Dear Jacky, Tom, Paul, and Don,
I was deeply saddened to hear of your Mom's passing. Thinking of her brings back many fond memories of those years at Northwest Catholic when you were all active students and athletes there. The entire Bisson family was such a large part of our community in those days. I know that she was very proud of you then and even more so as she watched you all become the fine adults that you are today. Please know that I have all of you in my thoughts and prayers. I regret that time and distance prevent me from expressing my condolences in person. Sincerely, John C. Shukie Northwest Catholic HS Retired Baltimore, MD.

“ Biss, I feel horribly that I wasn't able to attend your Mom's funeral to express my condolences in person. I would love to have seen you and your family again. She was always good to me, especially when we wrecked your car in college (she still brought me her usual care package a few days later - incredible). My thoughts and prayers are with you and your family. It's been years since I've seen your family, and again, I feel horribly that I missed the chance to see them again.

All the Best !

“ *Tom, Paul, & Family:*
So sorry, to hear about your Mom passing away. I remember seeing her around, and knowing what a nice lady she was. I think about you guys, often, and the fond memories of so many basketball games we shared! I think about Wampanoag, and NWCHS. My NW Class ('67) is about to have its 50th Reunion (at Wamp), in June.
Be strong, in the Light of the Good Lord, and know your Mom is in a much better place, now. God Bless all of you!
