“ I was very sorry to read about Mrs. Tully's passing in the paper yesterday. I was a 16 year old kid when I started working part time at Kay Jewelers in 1957. Mrs. Tully was Mr. Golding's secretary and I always looked up to her as my mentor and have never forgotten her over the years. She was a very classy, warm, friendly woman. She always spoke so highly of Harry, her three sons and twin sister - she was so proud of all. My deep sympathy to your family.##imported-begin##Carol Allevo##imported-end##
