“ *Pauline had a beautiful rich laugh and such love of family. Friends are still talking about some of the fabulous parties she threw! As fortunate as Elaine and Cynthia were to have their mother- she was so very blessed to have their loving care, especially in the last years of her life. No daughters could have taken finer care of a mother than these two stalwart and compassionate women.*

*You're free, Pauline. Keep in touch with your beautiful girls!*

*Find comfort in your joyful memories. Is there anything better than a Mom who teaches her children how not to get lost on the beach. You are both in my thoughts and prayers.*
