“ We came here in '65. He knew all of my six children scattered over 22 years; called my younger daugh- by the older's name. The name for my second son can't be repeated here. Always a smile on his face whenever we saw him.. .not always for his athletes. Tough, gentle, humerous, serious, unique, revered by students, athletes and other. Fully deserving of any accolades thrown his way.##imported-begin##John A. Facey##imported-end##
