March 2, 2022

Peter Andrew Broadhurst passed away on March 2, 2022. He was born in Sioux City, Iowa on October 9th, 1953. Peter was preceded in death by his parents, Peter and Dorothy Broadhurst, and sister Katherine. He is survived by his wife, Miriam Lopez Broadhurst, sons Brandon and Camilo, sisters Anne and Sarah Broadhurst and a brother John Broadhurst. His extended family included many nieces, nephews and in-laws. Peter lived in West Hartford, CT most of his life. He worked primarily in the field of sales/manufacturing for small companies in the Hartford area. Pete's life centered around his home and family. His children were a constant source of great love and pride. He was a blues musician and an accomplished guitarist, relishing the time he spent both playing and listening to his favorite music. He grew up playing basketball and loved football, cheering on the Giants every season. Always dependable, Peter lived up to the meaning of his name - truly a rock on which all could rely on. He had a sensitive nature and a generosity of spirit. Calling hours will be held at the Molloy Funeral Home in West Hartford on Wednesday, March 9th from 4 to 7 PM. “ So sad to just today learn of Peter's passing; and Katie too! Lots of wonderful memories of Peter and the whole family throughout the 70's. A great guy, always a smile, who loved jamming and a good time. Rest in peace Pete and condolences to the family. Phil Kaelin

“ I have sat next to Pete at work for almost 10 years. We had our moments lol but the one thing that stands out is his kind heart. He ALWAYS greeted everyone in the morning with a happy Good Morning even when I mumbled back because I'm not a morning person. We talked all the time about our kids (they happen to be the same ages) and the great adults they have become. We talked about our spouses, what's for dinner (he loved when Brandon cooked) , what's going on for the weekend etc. I know he is happy to meet up with Mia and take her on another long walk. I'm sure he gave Katie a big hug because she was taken too soon as he was. I will miss him everyday. I will not make the services but I am sending all my love and prayers to his family and friends. RIP Pete

“ I was deeply saddened to read in today’s Hartford Courant of Peter’s passing. It brought back very fond memories of Peter, your mom and dad, Anne, Sally, “little John” and Katy.

Working and Fernridge Park and watching the family spend countless hours growing up and enjoying the facilities are wonderful memories that I continually remember as I return to the park with my dogs for daily walks.

As I sit on our family bench that overlooks the park grounds, I can see your old family homestead in the distance and when gazing over the park I can vision Peter and his brother and sisters ice skating on the pond, making crafts on a summer afternoon, swimming in the pool and enjoying our evening summer record hops. I remember Peter being a good athlete and participating in our annual town-wide track meets at Sterling Field and helping the park win town championships.

To this day, as drive to the Cape to visit the rest of my family I am reminded of one of my fondest memories. After crossing the bridge in Providence, I see the sign to Barrington Rhode Island. When the family moved there, I remember visiting the new home and taking the “kids” to see a ballgame at Fenway Park between the Red Sox and “my” Cleveland Indians.

In this time of sorrow, may the support of family and friends comfort you. May Peter Rest In Peace.
