“ We were in New Mexico last week, so didn't find out about Dick's passing until today. Dick and I spent many days bird hunting, fishing, boating, and other things, which I'm sure he shared with the family. Once in a while my travels take me by Dick's folk's house in Rocky Hill. I have many great memories of Bezzer. Subby and I reminisced of the "old" days today. We had some really great times together. Jeanette and I extend our condolences to the entire family.
