“ *Dick and I were childhood pals, living in Millbrook park, E.Hartford, and attended Hockanum School thru 8th grade. Summer brought especially great joy as his parents would often take us to the beach . After Dick moved to South Quaker lane, West Hartford, we played basket ball for his Lutheran Church league and golfed at Rock Ledge and other courses. Dick had a 1936 Ford rumble seat coupe, in which we installed a 1955 Chevy V-8. It surprised many folks with quick acceleration. I also remember Dick was a talented baseball player. Fond memories of a great childhood friend. Condolences to his family, Pete Higgins.*

“ *Joe and I were blessed and honored to be friends of Ann Marie and Dick. Their love for each other was to be admired by all. Ann Marie's loving care of Dick throughout these past years was beyond any I have ever witnessed. He loved his family with all that he had, and they loved him right back. His loss will be felt far and wide. Rest in peace, Dick.*

“ Dick and his entire family are in my thoughts with great sadness. They were very special to me during a trying time in my life. Dick and I spent much time and joy hacking our way around little Buena Vista golf course in West Hartford. We all know how much he loved being at the beach in Rhode Island but he also was very fond of New Smyrna Beach, Florida. One time we drove back together from that place to West Hartford non-stop in one day. We had great fun, a lot of laughs and many stops for coffee and Burger King as well as sore backsides. I will greatly miss my good friend.
