“ Dear Mr. Mark Grudzien & Family

Mark I am sorry for the lost of your father, he was a good man. When you worked at Wampanoag Country Club I spoke to him a few times. He told me to keep both eyes on you all the time, but I found out I needed more that two eyes to make that happen. Mr. Milton Cross, myself and your father were talking one day and I remember it like it was yesterday because your father spoke so highly of you, something my father never did of me. But for a father to say something like that in public and not knowing me, I knew he was a great man and a proud father. I think of you from time to time and it brings a smile to me because you are one of the funniest guys I know. God Bless you and your family.
