

## Robert Francis Burke

June 8, 2015

Our beloved Robert Francis Burke, 26, passed from this life on Monday, June 8, 2015 at his home. Born June 26, 1988, he was the son of Michael and Alison (Miller) Burke of West Hartford, the brother of Aaron Burke of West Hartford and Katie Burke of Alexandria, VA and grandson of Elisabeth Miller of Wilmington, NC. Robert was also treasured by his many aunts, uncles, cousins, countless friends and his late grandparents, Raymond and Ursula Burke and Ross Miller. He always inspired laughter, love and strength with his wit, thoughtfulness and indomitable spirit. He looked at you with the eyes of an angel and made you feel how special you truly are. Many recognize Rob as a superhero for battling a brain tumor courageously for 15 years. A wake will be held on Sunday from 3-7 p.m. at the Molloy Funeral Home, 906 Farmington Ave., West Hartford. A funeral service to honor Rob's life will be held on Monday at 11:00 a.m. also at the funeral home. Burial will be private. In lieu of flowers donations in his memory may be made to the CT Brain Tumor Alliance at [www.ctbta.org](http://www.ctbta.org), the Hole in the Wall Gang Camp at [www.holeinthewallgang.org](http://www.holeinthewallgang.org) or Camp Rising Sun at [www.camprisingsun.com](http://www.camprisingsun.com).

“ So sorry to hear about the loss of your son, Rob. He was always such a friendly and sweet young man! Unfortunately, we have not seen him for some time now, but I remember seeing him at Walgreens and walking around the neighborhood to get some exercise and air. He will be very missed.

“ I remember Rob as the sweetest boy at Braeburn Elementary, when he was still called Robbie. He always made me smile and laugh and he was a good friend to my daughter. Throughout middle and high school, as I would occasionally run into him, he stayed just as sweet and showed so much courage. I am so sorry for your loss.

“ I was fortunate to have Rob as a student when he was in 10th grade Biology at Hall high. Although it must have been 10 years ago, I can clearly remember Rob's wonderfully uplifting smile and his positive attitude. Rob had charisma! He was as genuine and friendly to his teachers as he was to his fellow classmates. My thoughts and prayers are with the Burke family.  
Sincerely,

“ Dear Alison and Mike, Aaron and Katie,  
  
For several years, early on in Rob's struggle, we were next door neighbors on Whitman Avenue. Rob was a young teenager then and always had a friendly "hello" for me when we happened to see one another. To my surprise, there was Rob with his friendly hello of recognition when he was much more grown up and was working at Troy's Mobil station. It was so sad to read about Rob's death, but I trust he is now at peace.

“ *I had Rob as a student when he was in the 6th grade at King Philip Middle School. My time with him in school focused on the language arts. I remember Rob as a talented creative writer who always took the assigned vocabulary words and captivated his audience with ongoing tales of fictitious experiences of war. His stories were so well written that I shared a compilation with local veterans groups. If I recall correctly, his stories were so moving that he was made an honorary member of VFW Post 9929 at the age of 12. As a person who demonstrated courage, vision and sensitivity, he will be missed.*
