“ Dear Nisa,

I had the privilege of working with Bob in 1997. We were covering the Washington D.C district together. Bob was in parts, I was in sales. During this time we had one key thing in common; we were both traveling away from our families in Atlanta every week to be with the dealers in D.C. As a result, we spent a lot of time together of which I have very fond memories.

Bob was an incredible person, always smiling and always laughing, an absolute pleasure to be around. He will be sorely missed by everyone he came in contact with. You and the Lester family are in my thoughts and prayers.##imported-begin##John Ross##imported-end##

“ Lester Family,

I want to pass my condolences to such a loving family. Unfortunately, I was not able to share my memories with him, but as you can see he passed great love among the subaru family. May God bless you with love and care and may his thoughts be remembered.

Thank you.

Sincerely,

Greg

“ Nisa,

I am so sorry for your loss. This is a big shock for everyone as I am sure you know. I have known Bob for such a long time and considered him a cherished friend and coworker. I will miss his wonderful smile and his remarkable talent for finding humor at every turn.

I will always have the fondest memories of Bob. I can't think of one encounter with him that hasn't left a smile on my face.

Please know that my thoughts and prayers are with you and your family at this sad time.##imported-begin##Patricia Baldwin##imported-end##
