“ To my dear family on the East Coast,  
My thoughts and prayers are with you today, tomorrow and always.  
Uncle Bob was a very special person who had the gift of making  
those around him feel very special. I remember that about him even  
when I was a little girl. He had the gift of laughter. A remarkable gift.  
One of my favorite vacations was on my 30th birthday when I went  
to the Cape with Aunt Bea, Uncle Bob and my parents. We spent a  
week in a little cabin together. We joked and laughed more in that  
one week than most people get to laugh in years. I will miss them  
greatly as I will remember them with great love. Uncle Bob was very  
blessed to have all of you together and to have such a loving, caring  
family. It is a blessing and a privilege to be part of this family of ours.  
Always remember that my love and prayers are with you.  
Your California Cousin,

“ Dear family,

*Maravilla and I are keeping you all in our hearts and prayers. Maravilla has fun memories of her Uncle Bob from his last trip to California. She remembers him as her fun Uncle who looked just like her Poppy. I have wonderful memories too. He was always kind, and warm and funny. We are remembering him here at our home today.*

*Much love,  
Maureen & Maravilla##imported-begin##Maureen Daley##imported-end##*

“ My dearest "Unca Bum" which is what Katie named you before she could say it right and it's stuck w/us as a special name of endearment. When I heard the bagpipes are playing "Danny Boy", I thought how appropriate that is, as I remember Bob singing it so beautifully when I was a child. He sang at my wedding and there wasn't a dry eye in the house when he sang "Daddy's Little Girl" for the father daughter dance. My memories of times together are endless and I feel so blessed he was part of my, and my children's lives. Ron has also been reflecting on great, good, guy times with Bob. My heart goes out to my east coast family with many prayers and lots of love-Marilyn##imported-begin##Marilyn##imported-end##
