I am so sorry to learn about Bob's passing !! I just saw that you sold your house and that it was in your name only...I feel so bad and definitely would have attended his Mass. I did not know him well or see him often but do remember some kind and heartfelt conversations. He also welcomed us into the "neighborhood" by inviting us to a Christmas party, I seem to remember...that was nice b/c we were on Webster Hill, not Bonnyview...unfortunately, we were not able to go as we had a conflicting invite but I never forgot his reaching out to us ! God Bless you and your family...I will remember all of you in prayer this year as the Christmas holiday approaches...the 1st one without him with you. Such a wonderful man will undoubtedly be enjoying a terrific Christmas in heaven this year Barbara and Tim Clemens

“ *Bob was not only our top performing rep, he was our absolute favorite. Always laughing and joking and the stories were priceless. One day we were chatting and I said to him Bob, you are always smiling and so happy, is it because we only see you 4 or 5 times a year? All of a sudden he got very serious and he said "Jeanne, we are only here for a short while, we have to make the best of it." That has been etched in my brain and in my heart since then I am grateful to have known Bob, he was a humble man and full of grace and integrity What else is there?? Peace be with you in the Kingdom, I'll see you there in a short while*

“ I worked with Bob for over 10 years selling electronics in CT. He started with nothing and became our company's top performer. He was living proof that honesty and hard work will lead to success. I looked forward to our time on the road. I might have taught him about electronics, but I learned alot about life from him. Bob, for that I say thank you, and may you rest in peace.
