“ I met Maria in Geometry class at HPHS in the early sixties, then Pat, later Anthony. Also I enjoined many stimulating conversations with Mrs. Mary Zaremba, their mother. Pat and I became close friends, and a few years later he suggested that we move to Boston. Shortly after Pat met Roberta and his life blossomed with her enthusiasms and interest in theater. Pat and Roberta were the first of our friends to marry. Recently they came to Maine, and we had a wonderful visit remembering old times and re-energizing our friendship. So we feel very sad, and we extend our love and sympathies to Pat, Andrew, Maria & Archie, Anthony & Marcia and family, and Roberta's family. Errol & Terry Thomas 5/28/26

“ My earliest memories of Roberta are when we were elementary school age. I always looked forward to times when our families would visit together. Roberta was my age, so she was my first choice as a playmate. We raced and played outside or dressed up and pretended theater inside. She was an enthusiastic actress, with a vivid imagination, and an infectious laugh. She poured herself into everything she did. She displayed these same soul qualities as a devoted mother and wife. I wish the entire family peace and comfort in the days ahead as you navigate this difficult road.
