“ When the phone rang on Friday and it wasn't you on the other end and Luba told me that you had passed away the day before I couldn't believe what I was hearing. I am so very thankful that we met many years ago and all of us became such wonderful friends. I will miss you everyday as I do your mother. You both have a big place in my heart. Bailey will miss his calls from his Auntie Robin and I will miss our talks and visits. I am honored to call you my friend/sister. May you rest in peace.

“ Robin I will truly miss you and my job in the ER will never be quite the same. Although you drove each and every one of us to our wits end I can honestly say you were truly a presence that cannot be replaced. Speaking to everyone not only @ Bradley who has taken care of you but all the medical responders who have looked after you over the years speak so highly of you. You truly were sincere and kind and had such a big heart and you had such nice way about you I know you have gone to a better place....Rest in Peace.##imported-begin##Donna##imported-end##

“*“Somewhere a journey begins at the end of the worldly existence we know:
Somewhere a path stretches over the stars, and rivers of memories flow...”*

*“Somewhere a silence is heard far away and the brightness of day fills the night,
Where the trials of life are resolved into peace -- when a soul finds its way to the light.”*

With Sincere Sympathy, Robyn will be missed by all of us.

She loved my little puppy "Pica" very much.

*I know "There is a Better Place" for Robyn to be at peace now.
