“ Rose was a wonderful neighbor to me and my family for eighteen years. We called her "Guim". When I told my two year old son to call her "Mrs. Guimond", he shortened it to "Guim" and it stuck. We all called her "Guim". She and I shared many cups of coffee in the morning and glasses of sherry in the afternoon. I could tell her my deepest secrets...in fact, I did...and knew they were still secrets. When we moved from Attleboro, it was she we came back to visit. In fact, we stayed in her guest room. She was generous and kind and always there for me. Though she has been out of my life for a long time now I will always have the most wonderful memories of my dear friend, "Guim".##imported-begin##Annette Poirier##imported-end##
