“ *Im so saddened to hear about the passing of sweet Sally. I got to know her over the years bartending at Rockledge, she would come in for her glass of Pinot grigio and enjoyed her lobster rolls in the summer. We talked about her life and how she took care of her Mom before she passed. She was sweet kind compassionate humble & a little whipped snapper. I enjoyed her kindness and laughs. I took this picture last December when She came for a visit. Thought I'd share this photo here with those who knew and loved her. I will miss her visits*

“ Many fond memories of living across the street from the Brady family. Sally was my first friend. We went through grammar school, junior high and high school together. We even traveled to Ireland back in the 70's which was awesome!

RIP Sally-I will surely miss you
