

Sheray Felice

July 22, 1990 - March 14, 2022

Our beautiful and beloved daughter, Sheray Felice, passed away unexpectedly in Great Barrington MA on 3/14/2022. She was 31 years old. She was born in Newton, MA on 7/22/1990. She is a graduate of Hall High School in West Hartford in 2008 and the University of Connecticut in 2012 where she earned a BA in journalism. She spent the next 10 years working overseas including Beijing, Hong Kong, Taipei and London. She wrote beautiful poetry and spoke fluently in French and Mandarin. In her short life, she was bold, spirited, adventurous and outspoken. She was most proud of her work as a morning news anchor at ICRT.tw and as a host for Taiwan Talk podcasts. In the podcast, she preferred to interview people outside of the mainstream and give those in vulnerable populations a media platform. As a result of her desire to help those in need, she completed a Masters of Law degree at the University of Law in Manchester UK and was working at Palmers Solicitors law firm in London before her untimely death. Her goal was to someday work in immigration law. In the brief times she stayed in the US, she enjoyed cooking for her family and walking her brother's furry friends, Griffey and Delilah. She will be missed greatly by her father, Kevin Felice, mother, Nora Lee, brother, Clay Felice, and all of her friends around the world. She is also survived by her grandmothers, Connie Lee and Jacqueline Felice; and loving uncles, aunts and cousins. Her funeral services were private. Please consider a donation in her name to the Meriden Humane Society, 311 Murdock Avenue, Meriden CT 06450 or a charity of your choice.

“ Ms. Sheray Felice was my Middle School English teacher back in Beijing 55 School. It's been over 10 years, and it's crazy how fast time passes, because all her students now would be the same age as her when she first started teaching us. One day, she had all of us do a podcast assignment, and then she suddenly disappeared from the school never to be heard of again.

It's so unfortunate that she passed away. She left behind such good memories for us. She even filmed a dance video for us back in Middle School (I'm the guy wearing the wig):

Looking back, I wished I was a better student. I was definitely was among one of the few trouble makers of class. But she was a great teacher that greatly cared about us. All the students and faculty members could tell she was going through alot. She was constantly stressed, and in retrospect we didn't give her the love and respect she deserves as a teacher.

Thank you Sheray for being such a great teacher. You taught us a lot of great lessons, and all your students will love and miss you.

“ Kevin, Nora, and Clay,

I am so saddened to hear of Sheray's passing. She was a beautiful young woman who filled our classroom with joy and laughter. She inspired the younger students. I had countless conversations with Sheray about her views on everything... food, culture, politics, societal issues, and family. She loved you all so much. Sending you love. May her memory give you solace, knowing she touched the lives of so many.

“ Kevin, Nora and Clay,
We are so saddened to hear of Sheray's passing. As neighbors growing up, Sheray spent many hours at our house playing with Lauren and her friends. She was a beautiful, friendly, smart and caring person. Her smile lit up the room.
When Clay was born, she spoke endlessly of her little brother. She loved him dearly.
We loved hearing of Sheray's adventures overseas. Her impressive talent for law, writing and the news made us all so proud of her.
You are forever in our hearts and prayers. May her memory be a blessing.

I am shocked and so saddened to see this. I was Sheray's French teacher at Hall for her junior and senior years, and she kept in touch for as few years after that. She was a remarkable, memorable student, extremely able, enthusiastic about learning and about traveling the world. Which she did! but I am so sorry to think of her journey cut short so soon. My condolences to her family. I will always remember her.
