

Susan "Susie" E. Campbell

June 7, 1985 - June 17, 2025

Susan (Susie) Elizabeth Campbell (nee, Mancuso), 40 years old, of South Windsor, CT, peacefully passed away in her sleep on June 17, 2025.

Susie was born on June 7, 1985, in Berwyn, IL, and was adopted on August 2, 1985, by Diane and Ronald Mancuso of West Hartford, CT. She graduated from Hall High School in West Hartford in 2003 and from Central Connecticut State University, graduating with a BA degree in 2009. Thereafter, Susie continued her education, earning a BSN and a MSN from MA College of Pharmacy and Health Sciences.

Susie was passionate about helping people and took a keen interest in the level and quality of care she provided to each of her patients. Her fields of practice included hospital nursing, home health care, primary care, geriatrics, and cardiology. Susie's love and passion for people extended far beyond her professional life. She leaves a lasting impact on the lives of friends, family, colleagues, and all those with whom she came into contact. She was adored by her children and was always willing to drop everything to be at a friend's side at a time of need.

Susie is survived by her former husband and father of their children, Justin Campbell; her two children, Mackenzie – 10 and Gavin – 5; her parents, Diane and Ronald Mancuso; her brother, David Mancuso, his wife, Amanda,

and their children, Curtis, Lilaina, and Myla; and her devoted companion, Gary Whalen.

Services will be held at St. Thomas the Apostle Church, 872 Farmington Avenue, West Hartford, CT 06119 on Tuesday, July 1, 2025, with a visitation at 10:00 am and a Mass at 11:00 am. For those who cannot attend the funeral, a live stream will be available at the St. Thomas the Apostle website. Flowers can be sent to Molloy Funeral Home, 906 Farmington Ave, West Hartford, CT 06119. In lieu of flowers, the family is establishing a fund for Susie's children. “ Susie and I worked together for a short period of time. She was always super sweet, very sarcastic and always willing to listen or answer any questions that I thought might be "dumb" but she reassured me it was not. She was someone I just knew immediately that I can reach out to if ever needed and when she seen me having a bad day she offered me hugs which were exactly what I needed. My condolences to her family at this time. This has been a loss we all were not prepared for but I like to believe she is in a better place. Susan you are missed deeply but never forgotten, You live forever in the hearts of me and everyone else whose lives you walked into

- Forever and always XOXO, Kayla Rose Canales.

“ So very sorry for your loss. Thoughts and prayers seem so inadequate at this time. Our hearts go out to the entire family. We were hoping to attend the services, but unfortunately, due to a situation beyond our control, we are unable to participate in person. We will be attending virtually, sending love and support to all, especially Susie's pride and joy, Mackenzie and Gavin. We attended many family functions with Susie (she was best friends with our niece, Meggan) and considered her and the kids family. We always looked forward to catching up, sharing stories, and reconnecting.

“ Cops and robbers, snow forts in blizzards and cowboys and Indians in the summer heat, playing in backyard pools, long walks to and from Morley, broken bones and belly laughs, tree forts and coming of age. Our North Quaker pack was strong, supporting, caring, and always fun. So so many memories with Susie. So much joy and laughter.

My heart hurts so much at hearing this news. All our love, support, and caring are with you.

“ In college, I took in Susie's cat, Milo, who has since passed. Though we lost touch, I've thought of her often over the years and will always remember what a bright light and kind soul she was. She had an authenticity and confidence that made me want to be around her. Thinking of her family and hoping that me, her, and Milo will meet again one day. 💙

“*Susie was one of my best friends. We became friends after a long time of Susie taking care of me as an APRN. She continued to be my very close friend until the day she passed. I was shocked at the news of her passing because we thought I would pass first considering my age and multiple illnesses. Susie was 30 years younger than I. Since we were both nurses, we could relate to a lot of the same medical issues. We talked about everything and kept in touch with each other almost every day. She was a wonderful nurse and cared sometimes more for her patients than herself.*

I will miss you Susie!!!!
