“ I first met Sue in seventh grade many years ago at St. Joseph Cathedral School in Hartford. I was a new student and didn't know anyone. Sue welcomed me with warmth and friendship. How happy I was to learn later on we would be in the same high school together, Mount Saint Joseph. Through the years I have seen Sue off and on and am happy to include her as one of my friends on Facebook. I know how much she loved her children, how welcoming she always was and how interested she was in others. I will miss her and am so glad I have had the chance to know her. Blessings to all her family at this time. My prayers are with you.
