“ I met Suzanne thru FB Marketplace, she was selling her aunts dishes. It was evident from our first encounter that she was a kind and generous person. I shared with her the projects I made with her aunt’s dinnerware, they are still amongst my favorite. She encouraged me in my new found creative outlet, invited me to her studio where she graciously shared her knowledge of Etsy and also gifted me many of her glass pieces. I am forever grateful to Suzanne and so happy I was able to meet her, tho for just a brief time.
