“ There are *MANY* things I remember and cherish about Tom. He was a teachers’ administrator: “*YOU are the professionals, therefore, I respect your option and will always include you in on decisions.*” He deeply cared about students’ education...especially the importance of reading. Tom loved to bowl. He sent an 11:30 pm e-mail to me to share his amazing “almost” 300 game: “Noreen, I know you will appreciate this...I had 11 strikes in a row! My heart was pounding! The entire league stopped bowling to watch my last ball. I was so nervous, ...” 🙄🙄🙄 Soooo close! He would also share his love for golf. Due to our numerous interests, I felt a special connection with this wonderful man. He *DEFINITELY* touched *MANY* lives in a positive way, mine being one of them. Please accept my sincere condolences.

“ Tom was a dynamic educational leader who helped to make John Barry School a place where students could flourish and thrive. He was a principal who never lost sight of his roots as a teacher...an administrator who always made the well-being of his students his highest priority. He was an open-minded, creative thinker who was receptive to new ideas while always holding true to the foundational elements of good teaching and learning. I was fortunate to work under his leadership at John Barry and will always hold him in the highest regard as both an educator and a person.

“ I am so very sorry for your loss, his face would light up any time he mentioned his family. I had the opportunity to work closely with Tom at Pulaski, he was definitely an advocate for reading and loved being around the kids. He has overcome so much these past years and its truly sad to hear of his passing. rest in peace Tom, thanks for the memories. 🙏

“ I am very sorry for your loss. I worked with Tom for many years at John Barry School. His enthusiasm and energy were contagious. He was always a good sport, and participated in our schoolwide productions. He was impressive as the King of Siam and as Bert, the chimney sweep. He was a talented performer. I hope that happy memories of Tom will help ease your sorrow. He was a special man who made a difference in the lives of many teachers and students. I feel fortunate to have known him.

Sincerely,
Carol Cotter

“ Tom was my principal in Meriden many moons ago. I will never forget the day he donned an old school bathing suit (the one that has straps that come over the shoulders) to go in the dunk tank at our school carnival. He loved his job and always looked out for the students.
