“ *I will miss Tom as a former co-worker. I will also miss his sense of humor (believe it or not) He was also a fun person outside of work. My husband John and I had a good time with him when we went to a Caribbean style mass together at St Justin's in Hartford. Tom had said that St Justin's was a church he had gone to as a child. Regardless of jokes about him, he will be remembered as a funny and generous person. He will be missed. I would like to also send prayers and comfort for his whole family at this time.*
