“ Well, cousin, I remember all the wonderful laughter we had growing up. You were always the most upbeat and kind and generous person with the best sense of humor. I remember those nights at The Hartford Courant working with you, Sandy, Aunt Betty, your dad and my dad. I just found out about losing you. I am very sorry for the family. Rest in peace dear cousin.

“ My father was a wonderful man who loved life and all of the people that he cared about. He was a wonderful father to me growing up and there are so many fond memories that I have that I will keep in my heart forever. I know that he is now in a better place with no more pain and suffering I was with him until the very end and I will cherish ever moment that I had with him. He is up in heaven with his father and Carol and Bill having the greatest time. He is my hero and I know that he is my guardian angel and will watch over me for the rest of my life. I will love you forever and ever daddy.....hugs and kisses!!##imported-begin##Janessa##imported-end##

“ God looked around His garden,
And found an empty place.
He then looked down upon the earth
And saw your tired face.

He put his arms around you
And lifted you to rest.
God's garden is so beautiful
Because he always takes the best.

He knew that you were suffering.
He knew you were in pain.
He knew that you would never get
well on earth again.

He saw the road was getting rough
and the hills were hard to climb.
So He closed your weary eyelids
And whispered "Peace Be Thine".

It broke our hearts to lose you
But you did not go alone?..
For part of us went with you
The day God called you home.

Tom will surely be missed. We knew and loved him a long time
remember Forest Park.

Janessa our hearts go out to you. We hope you will be okay. Know
your dad will always be with you now and every day. He is a part of
you and will reside in your heart so you will never ever be apart.

We love and care and are here if you need us.

Jack, Kathy,
JP, Spenser, and Sean
