“ *Mr. Mulverhill was one of my favorite patrons here at the Noah Webster Library. Always smiling, with a kind word to all. I am truly sad to hear of his passing. Our building will house a bit less joy with his absence.*

“ *To Tom's family, I am so sorry for your loss. I knew Tom through our Thursday evening group meetings. I saw him as a very caring, loving, kind person to all of us in the group. His laugh was wonderful and contagious! He will be greatly missed. May you all find strength to move forward in your lives remembering the good times you shared along with the joy and love Tom brought into your lives.*

“ Thomas was not only my uncle but also a friend and confidant. An outing with Thomas was always an adventure. He somehow managed to engage almost everyone we met in conversation. Always a gentleman, he was interested in everyone's story. His goodwill and cheerfulness typically brought a smile to unsuspecting strangers, most often a lady. Thomas was the kindest man I have ever known. He was always there in times of need to provide comfort and support while he, himself, bore the burden of a debilitating illness. I am inspired by the strength and courage he demonstrated during these last years. The world is a lesser place without him.

“ Tom had many long-time close friends whose lives he was very engaged in, regardless of physical distance. He had a quirky sense of humor and remembered details of people's lives forever. In his same very interested way, he often struck up conversations with strangers and made their days. He will definitely be missed.

“ Please know how much Thomas was appreciated for who he was. I feel so grateful for his kindness and support. He encouraged and checked up on me through cancer, and now, MS. He will be missed. God Bless Thomas and his family and friends.

*“ I met Thomas years ago through his niece, Pat Hogan(a friend and colleague). As a frequent visitor to Manhattan from Sausalito, CA, Thomas loved to share his love and knowledge of the city with us. Plus Pat took us on great hikes around Cold Springs where we found fabulous laurels. Ute - as he became known to me - was always happy, kind, gracious to everyone and just a lovely person. My deepest sympathies to his family and to all who knew him. He will be missed.

*“ All the memories come flooding back! Of our Moms and how great they were together.  
Well, now Thomas can join Anna, Evelyn and Eileen for a well deserved "Highball."  
When I think of Thomas the first thing that I hear is his great laugh!  
You couldn't be in a bad mood when you were with him.  
I know you will miss your Dad, Tim and Jennifer.

“ *Tim and Jen and families... I was so sorry to learn that UT (he called himself that) passed away. I know it is a major loss for you but I am thankful that he did not suffer for a long time and went peacefully to meet up with my mom. I remember one of the last times I was with my mom when she was in the hospital. It was the The Sunday night before she died. I was alone in her room and she asked me why I was crying. I did not have the heart to tell her it was because she was dying so I told her it was because I loved her. I left the room and totally broke down. I looked up and saw Uncle Thomas coming down the hall. He did not ask any questions - just held me and let me cry on his shoulder. I have always held that memory close to my heart. Please know that he will always live on in yours.*
