“ *Dad, Thank you for giving me my wish. I will cherish our night full of fun, music, and singing always. I can't describe the feeling when you said you were very happy that your family was here and that you were glad. It makes this a smidgeon easier. I Love you forever Dad.*

“ *To Sylvester Family:*

Tommy always had kind word for me and enjoyed seeing him and playing golf with him when that came up. He had a great sense of the history of the game...same as my own dad who recently moved on. The caddy stories and banter that exists live longer than the bitter pill of separation. He was lots of fun. God bless you all and my prayers for Tommy.

“ Dear Kathy, Noreen, and family:

Condolences from the Malley family. Tom was my first basketball coach at St. Thomas the Apostle school about 60 years ago. Now our grandson is playing with the same STA team.

We have many fond memories of the Sylvester family and your mom and dad, such good neighbors and friends.

We are very sorry for your loss.

“ Grandpa, I have seen you at your strongest point, and I have seen you at your weakest. Right now you are probably having the time of your life up there. I am so happy to have had a grandfather like you. And I am so glad you waited for me. <3 You always brought a smile to my face whenever you called me sweetheart and filled me with joy. I remember going ice skating, swimming, all the holidays we shared, and playing with Bella. Thank you for those special memories I hold close to my heart. I love you so much and I am going to miss you a lot. Keep a spot up there for me! But your going to have to wait a while. \=

Love,
