“ To the family of Tim Ryan,
I am a work associate of his... I am a paraeducator for the New Britain School district and I witnessed the gentle way that Tim worked with my students... always so kind and gentle with this fragile sector of our students. His encouraging words kept our students trying to reach for the stars...
Tim, they continue to reach for the stars and we all think of you up there amongst them.
We think of you, his family and wish peaceful times for you... and I, personally will hold Tim close in my heart....

“ *My Dear friend Jill,
I am so sorry for your loss. When I saw the email from the District, I did not make an immediate connection with you. I even said to myself, this must be a different Jill until Ivette Guerra confirmed it. Please, receive my deepest sympathy and love. I can only imagine the difficult time you and your son are going through. Please know that both of you are in my prayers. Olga Agosto*

“ Dear Jill, Max, Dempsey and Family,
I am truly sorry to know that Tim has passed.
The neighborhood will not be the same
without his steadfast presence, kind
greetings, waves and smiles. A truly nice,
good man he was and he will be missed. He was so courageous in
deciding to live well as long as he possibly could as a husband and
father. That message will resonate with me forever. I admired his
devotion and determination to make that happen. I am so sorry for
your pain and loss of your husband Jill, and your Dad Max.

Max, and the rest of the family. I remember always being so excited
to see Tim at family get-togethers growing up, and he'll still be in my
thoughts and heart every time I see family in the future.
