

Victor Jean Berard

February 8, 2019

Victor Jean Berard passed away Friday, February 8, 2019. He was born on July 18, 1952 in New Britain, CT. He graduated from Suffield Academy and Central Connecticut University where he studied Physical Education. He later entered the Air Force. He was stationed in Abilene, TX where he became an esteemed heavyweight boxer. In 1980, he started working at the Hartford Courant making nightly newspaper deliveries. He continued even after becoming a full-time teacher in Springfield, MA in the fields of Math, Technology and Special Education. Always coming or going, somehow he managed to fit in time for his love of literature, singing, dancing and making people laugh. Our gentle giant's booming voice could be heard for miles, usually calling to his pet goats, side coaching his grandson's basketball games or correcting one's poor form on the discgolf course. He loved pick-up trucks and projects that entailed loading them up. He spoke in riddles. He could be found gazing at a sea of trees contemplating the many shades of green. Not one to announce his departures, he left us swiftly and silently. His father, Jean Paul Berard, predeceased him. He leaves behind his mother, Marion Berard of West Hartford, CT, his partner, Freda Brown of Southwick, MA, his daughters, Felicia and Theresa Berard, his grandchildren, Wislandi, Rehmannia and Marcelino Deleon of Springfield, MA, his siblings, Suzanne Berard-Rodriguez and husband Mario of Bristol, CT, Sally Berard-Devine of Vineyard Haven, MA, Denise Berard Hall and husband Tom of West Hartford, CT and Steven Berard and wife Trisha of Seattle, WA, and many nieces,

nephews, friends, coworkers, students and lives touched by his life. Visitation will be at Molloy Funeral Home, 906 Farmington Ave. West Hartford Wednesday, February 13th 4-8 p.m. Services will be held at St. Peter Claver Church, 47 Pleasant Street, West Hartford CT 06107 Thursday, February 14th, 10 a.m. Private burial will be at the convince of Victor's family. In lieu of flowers, gifts in Victor's name may be made to the Springfield Rescue Mission, 10 Mill Street, P.O. Box 9045, Springfield, MA, 01102-9045. “ I took a wood shop class with Mr. Berard at IMS. The guys in that class would always mess with me taking away my stuff, breaking my things, pulling my hair, being disrespectful etc. Mr. Berard always stood up for me regardless of how significant the consequence was for the other students. He would always take pride in my work and would often use my work to grade others. I don't remember much of that shop class, but I only remember some of it at all because of him. He will be so missed and I wish I had the chance to tell him how 10 years later he impacted me that much that his memory is still cherished.

“ *To All The Berards.
Saddened by Vic's passing. The good news is he is now with his father and my brother, Bob, in the best place. I can here Vic's voice and his laughter reminiscing while Jean Paul and Bob are having their afternoon coffee and donut.
Vic enjoyed life. As a son, brother, father, grandfather and friend- Vic was fun to be around.
He loved his family. He loved his work and would give you the shirt off his back to a friend. I will always remember his cannon-balls into the Mountain Commons pool.
Vic's life was truly a celebration and I am glad I was glad I got to know him.

“ *Dearest Vic was the perfect mentor to my science bowl teams at Illing Middle School. He had a gentle demeanor that helped many of our students prepare hydrogen fuel celled cars, solar powered cars, and worked with me for many years in our attempt to win the Middle School Science Bowl held at University of Connecticut year after year.*

His assistance and kind chaperoning of the many teams from Illing Middle School were always great fun when we worked together.

Always fun and kind; I will miss his positive energy as the teens worked cooperatively towards a common goal.

A lovely man. My heartfelt sympathies to his family. Ginny Schneider

“ Vic and I were colleagues at Illing Middle School, where we shared a morning duty. He had a great sense of humor and always had an interesting story to tell.

Most importantly, Vic had a kind word for his students.

My prayers are with your family at this sad time.

“ My favorite memory of Vic at Illing was one time when we had the entire school out on the field. line dancing. Some of the kids didn't want to do it, but there was Vic -- up on the hill, leading the way, doing kicks in his heavy black work shoes.

Always funny but always caring, especially with the special ed kids.

May his spirit always be with you.

“ Victor was my childhood hero. While sitting for us when our parents went out he would let us box with him. He'd say c'mon Dougie hit me harder. I am so thankful I got to see him this past June.

“ My dad and Victor's dad were best friends in high school, and college. They worked together for many years in the West Hartford school system. I have so many great memories of the Berard family and Victor was one of my hero's as a young boy. I went to some of his football games and wrestling matches at Suffield and he always made it a point to talk to me and encourage me in my sports. Last May we all had a chance to visit with my mom on Mothers Day and I was not at all surprised to see that Vic was as gregarious, thoughtful, funny and LOUD as I remembered him. He had an impact on my life and I know many, many others. RIP Vic you were a giant of a man in many ways!

Much Love,

“ To: The Berard Family

Vic was indeed a Gentle Giant. I worked with him several years at Duggan. We were all proud members of the Duggan family like Vic.

He always excelled in helping others in and out of work anyway that he could.

He was always the life of the party at numerous Duggan activities and outside events including my wedding. We shared many laughs together over the years.

I know he will be missed by many as he had a heart of gold and touched so many lives.

May the memory of this wonderful man help in the days ahead.

“ I will always remember the good time we had together. He loved being with family, his girls , his grandchildren, his mom. He met all my kids and grandkids. He loved seeing them and talking with them. He helped me finishes projects that I started. He loved drinking His Coke Cola and had a good supply. When I told my kids about Victor passing , they too were really surprise. They all loved him and like him very much. I would continue to see Victor 2 - 3 times a week at work. It was always brief because he had to unload and I had to do the warehouse. Before he lived on the farm with his goats. He had a big house in Springfield where we hung out every weekend. We had great time together. I even took him home to Buffalo , New York to meet my family. Took him To Niagara Falls. We laugh, joke ate, always having a good time. Victor will surely be miss. He will always have a special place in my heart. Now, he can check up on my Daughter Karina who passed away in March 2018. I'm so glad I had the chance to know Vic and the good time we share. Love you Vic.
