

Walter E. Jacobson, Sr

August 27, 1927 - September 4, 2007

JACOBSON SR. Walter Edwin

Walter Edwin Jacobson, Sr. 80, husband of Beverly Bishop Jacobson formerly of Meriden, died Tuesday, September 4, 2007. Born in Quincy, MA, the son of the late Walter L. and Catherine Mills Jacobson, he made his home in Meriden and retired to Old Lyme. Walter served in the US Army during World War II, graduated from Wentworth Institute of Technology and received a Bachelor's Degree from Northeastern University. He was a brilliant mechanical engineer, inventor, and pioneer in load cell technology. During his career he was responsible for 17 design patents. He was employed by Revere Corporation of America for 27 years after which he enjoyed operating his own load cell manufacturing company, Sens-All Incorporated in Southington, with his son. He was also a past president of Family Service Assoc of Meriden. He learned to play the harmonica proficiently at an early age that provided him a lifetime of enjoyment especially when he shared it with others. Besides his wife of 56 years, he is survived by his three children, Walter E. Jacobson, Jr and his wife Denise of West Hartford, Wendee Jacobson of NY, Bonnie Bates and her husband Christopher of Hebron; two brother James Jacobson and his wife Judith of Plymouth, MA, George Jacobson and his wife Elsie of Beverly, MA; two grandchildren Ian and Catherine Bates; and many nieces and nephews. Walter will be buried in a family plot in Quincy, MA during a private ceremony. Donations in his memory may be made to St. Andrew's Episcopal Church, Pantry or Music Fund, 20 Catlin St., Meriden, CT 06450. Online expressions

of sympathy may be made at www.molloyfuneralhome.com

Tribute Wall

“ *Walter Jacobson was an exceptional person, kind, dedicated and technically skilled. He possessed a very rare talent - the ability to invent load cells or force transducers as they are more correctly defined.*

Walter's contribution to the measurement industry was significant, not only in the breadth of applications that employed the products of his design but in the number of people whose livelihood in the workplace depended on the accurate measurements that resulted from their use.

Above all, Walter was a friend.##imported-begin##John Elengo##imported-end##

“ *My deepest sympathy to Bonnie and the entire Jacobson family. Mr J will be sorely missed. I have fond memories of him at Christmastime in the house in Meriden and the huge, fat tree the family would get in their living room.*

More recently, I remember him at the beach...

My heart goes out to you all,

Love, Mary##imported-begin##mary loos jones##imported-end##

“ Please know that loving thoughts embrace you and that Walter will remain in our hearts forever.
Those we hold most dear, never truly leave us.
With heartfelt condolences to the entire family.
Au Revoir Walter!
Love, Francine##imported-begin##Francine##imported-end##
