“ I love you Papa and I love Ma too. I should have spent more time with you, and I'm sorry that I didn't. I'll never forget the times we shared though, especially early on. Raking the leaves and watching day games in the TV room during the summer, and hanging out with Ma when you and my mom were doing stuff in the yard. Just you and me in your red car, watching football at family parties.. I don't want to make a list. I love you and I miss you. Love,
